

# Commission on Human Rights & Opportunities

## Islamophobia and Inter-Faith Equality Panel Discussion

---

Religious discrimination, particularly against Muslims, has once again been dominating the headlines. From the Muslim ban to recent U.S. Supreme Court decisions on religion, our nation is confronting the role of religion in our public and private lives and how people of different faiths can coexist in our modern society. Join us for a discussion of these issues and how we can promote inter-faith equality in the face of discrimination.
